6. When more than one nomination is received for a candidate, the first nomination received that meets the requirements shall be accepted as the official nomination.
7. The Society will rely on an independent outside agency to conduct all of the principal procedures for the 2019 election.
8. The agency to be employed will be identified to the members with voting material or through publicity.
9. Ballots may be assembled, prepared and, where required, "proofed" in the Society offices. The ballot will then be forwarded to the agency for approval before being sent to the printer designated by the Society for emailing or printing and mailing. The ballots shall not go to the printer until the agency is satisfied that the ballot layout and design complies with the basic requirements for fairness, transparency and simplicity.
10. It shall be the responsibility of the agency to supervise the emailing and mailing of the ballots directly to the members. Ballots are not to be handled by any Society staff member.
11. Election ballots will show each candidate's name noting that they are running for a three-year term. Candidates will be listed in alphabetical sequence of their last name.
12. Election ballots will be emailed to all eligible voters (i.e., Professional, Associate, Intern and Honorary Members of the Society) who have provided OSPE with their email address. Election ballots will be mailed to those eligible voters who have not provided OSPE with an email address at the addresses listed in the current membership database.

Any objections or resolutions must be made by **4:00 p.m. February 13, 2019**. Candidates are responsible for meeting this deadline and are expected to be available by fax, telephone or e-mail during this period.
14. Verifications of eligibility, validity, or entitlement of all ballots received will be done by the agency.
15. All ballots will be emailed to those eligible to vote and have provided OSPE with a valid email address or mailed "letter mail" to those that have not provided a valid email address, together with the assigned identification number/code directly to the official agency.
16. The official agency will receive, control, process and report on all returned ballots, or other election documents or activities.
17. Voting will be conducted electronically and the submission of the ballot using the unique number/password will be accepted once. Any subsequent attempts to use the unique number/password will automatically be rejected should they choose to send the electronic ballot again.

18. The four candidates receiving the greatest number of votes for a three-year term are elected to the Board. In the event of a tie, the election shall be decided by the toss of a coin conducted by the retiring Chair of the Board in the presence of the candidates or their agents if they so desire.
19. Certification of all data will be provided by the official agency.
20. The Chief Executive Officer or his/her designate will notify each candidate, via telephone and/or email of the election results.
21. The Chief Executive Officer or his/her designate shall give email notice of the election results, including election by acclamation:

 - (b) To all candidates, including the number of votes cast for each candidate, and shall publicize the results to all members prior to the date of the annual meeting of the members following the date of the election.

 - Candidates' material for publication should be prepared according to the guidelines "Instructions for Candidate's Election Materials" included in the Nomination Form and forwarded to the Society's offices as soon as possible following submission of the nomination but, in any case, not later than **February 6, 2019 at 4:00 p.m.**
 - All material should be submitted in word format and e-mailed to Valeria Mueller, Director, Operations at vmueller@ospe.on.ca. All material will be finalized by 4:00 p.m. **February 13, 2019.**
 - Candidates may post additional material on their own websites and a link will be provided from OSPE's website from March 18, 2019 until April 15, 2019.  - The candidate is responsible for all activity they conduct on their site. If they are posting information on publicly accessible areas of the OSPE site, keep in mind that anyone can see it. The candidate will follow the "Terms of Use" policy located on the OSPE website.

The Nominations Committee is authorized to interpret the election publicity guidelines and procedures and to review submissions for factual correctness. Candidates will be advised of any factual errors contained by the Nominations Committee.
