

PAN Meeting with MPP Lou Rinaldi (Northumberland-Quinte West)

On Friday, April 10, 2015, PAN representative Donald Town, P.Eng. met with MPP Lou Rinaldi (Northumberland-Quinte West). MPP Rinaldi is familiar with OSPE and its advocacy role as his son is an engineer in the Windsor area.

The meeting focused on OSPE's 2015 report, *Crisis in Ontario's Engineering Labour Market: Underemployment Among Ontario's Engineering-Degree*. MPP Rinaldi was surprised with some of the report findings, such as the ages of Ontario's engineers.

The second topic that Donald discussed was continuing education for engineers. MPP Rinaldi expressed that he would be in favour of legislative changes to support on-going skills development, if requested.

Thank you to MPP Rinaldi for meeting with OSPE and thank you to Donald for his continued dedication to the profession!
