

PAN Meeting with MPP Percy Hatfield (Windsor—Tecumseh)

On April 28, 2017, Luke Norman, EIT, a PAN representative for the Windsor—Tecumseh riding, met with MPP Percy Hatfield. MPP Hatfield is currently the NDP's Critic for Housing and Critic for Municipal Affairs.

The first topic that Luke discussed with MPP Hatfield was OSPE's submission for Ontario's 2017 Long-Term Energy Plan, *Power to Lead*. MPP Hatfield shared the NDP's energy policies with Luke, namely the NDP's desire to remove nuclear power.

MPP Hatfield is very knowledgeable about OSPE, having delivered greetings at the Society's 8th and 9th Queen's Park Receptions in 2016 and 2017. As a result, MPP Hatfield is familiar with another policy issue OSPE has been active on, *Excess Soil Management: Ontario is Wasting a Precious Resource*, and the recommendations from this 2016 report.

Thank you to Luke for his dedication to the engineering profession, and thank you MPP Hatfield for meeting with OSPE!
