

PAN Meeting with the Honourable Mitzie Hunter (Scarborough—Guildwood)

On May 12, 2017, PAN representative Mohammad Naqvi, EIT and GLP representative Narayana Asogan, P.Eng. met with the Honourable Mitzie Hunter. Minister Hunter is Ontario's Minister of Education.

The focus of this constituency meeting was OSPE's labour market report, "Crisis in Ontario's Engineering Labour Market." The report has not only served as the basis of numerous Queen's Park and constituency meetings, but it also received much attention from the public, media, and engineering community after its release in January 2015.

Minister Hunter was familiar with OSPE and recommended that the Society follow-up with the Minister of Labour with respect to the findings from the 2015 report.

In addition to sharing key findings from OSPE's report, Mohammad and Narayana provided Minister Hunter with an overview of OSPE and PEO's distinct roles as the advocacy and regulatory bodies, respectively.

Thank you to Mohammad and Narayana for their dedication to the engineering profession, and thank you Minister Hunter for meeting with OSPE!
