120 Taunton Road West
Whitby, ON L1R 3H8

Dear Mr. Coe,

On behalf of the Ontario Society of Professional Engineers (OSPE), the advocacy association representing engineers across the province, we are pleased to extend our sincere congratulations to you as the new Member of Provincial Parliament for Whitby-Oshawa.

As the voice of the engineering profession in Ontario, OSPE raises awareness of the role of engineers in society and influences public policy that affects the profession. We work to ensure that government, media and the public understand that engineers create wealth. The innovative designs and solutions of engineers not only improve our standard of living in Ontario, but are exported worldwide and bring economic growth to all Canadians.

OSPE's Pre-Budget Submission

Please find a copy of OSPE's 2016 pre-budget submission to the Ministry of Finance enclosed. We have task forces and committees on climate change, the environment, energy, infrastructure, the labour market, mining and research and innovation, and these groups of engineers are available to you and your staff at any time to provide expertise, discuss or help resolve any issues that are of concern to Ontarians.

OSPE's MPP Reception

We would also like to take this opportunity to personally invite you to attend our eighth Queen's Park Reception.

Tuesday, March 8, 2016

Legislative Dining Room

5:00 pm Reception with Buffet; 5:45 pm Opening Remarks

Theme: Engineers' role in developing sustainable communities

This reception provides an invaluable opportunity to connect with our task force and committee members, our Political Action Network (PAN) volunteers, as well as leaders and decision makers from various industries and sectors.

Again, please accept our warmest congratulations on your election.

Yours sincerely,
